Each Thursday Evening at 7pm.

Feel free to join in any Thursday evening that you can.

Adare Tidy Towns is delighted to see the response to our Rostered Litter Pick Initiative. Thank you to everyone who has offered to be part of a team. We hope that you enjoy meeting your team and being part of ATT's efforts to keeping Adare tidy during the coming months.

Weekend litter picks will start from the Hall at 8am and each team can decide to complete the pick on either Sat or Sunday morning or over both mornings. Each team should create a Whatsapp group to arrange times etc.

This is a voluntary initiative and if you cannot attend on your allocated date then don't worry just let your team know and you can always swap with someone or join another team on a different morning or night.

Bags for the litter picks will be available at the front gate of the hall.

As we have a limited number of litter pickers we would ask that if you already have one then please use it. We will leave the few that we have in front of the hall with the bags etc but we ask that you leave them back for other teams to use.

Filled bags can be left back at the hall and LCCC will pick them up on Friday/Monday Morning.
